REASONS FOR ALLOWANCE

1. Claims 1, 3, 4, 6-10, and 15-21 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. The closest prior art of record was found to be Hall et al (US5,445,823). Although Hall teaches the use of dexpanthenol and buffers such as EDTA, Hall fails to teach, suggest or render obvious the applicant's specific combination of these additives in combination with the dexpanthenol and D-sorbitol in those weight percentages required by the instant claims. Furthermore the use of such compositions for the intention of cleaning contact lenses was also not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory E. Webb whose telephone number is 571-272-1325. The examiner can normally be reached on 9:00-17:30 (m-f).
